

October 16, 2008

Dear Friends and Library Users,

We would like to invite you to the Volunteer Calgary Library Open House on Tuesday, October 28th, 2008, from 11:00am - 4:00pm.

Please do come by to meet and chat with the friendly Library Team. We will be providing a brief demonstration on how to conduct a library search online and will be discussing the newly launched Canadian Non-profit Library Network online search page, which allows users to search Volunteer Calgary, RCVO and Imagine Canada's Library catalogues simultaneously. We will also be showcasing the Canadian Directory to Foundations and Corporations, a tool to aid those who are searching for sources of funding.

Feel free to browse through our extensive collection during your visit. If you wish to become a library borrower, you are welcome to sign up onsite as well.

Refreshments shall be provided throughout the day to ensure your utmost enjoyment.

The Volunteer Calgary Library is located at 2nd Floor Kahanoff Centre, 1202 Centre St. SE.

We hope to see you there!

Sincerely,
